Dear Dallas,

Thank you for your recent contribution in support of the aims and purposes of the Society. As an organization of volunteers, we assure you that your thoughtful gift will be used wisely in providing support of our various services and programs.

In appreciation of your contribution, we will be sending you our quarterly magazine, the Tri-Ess Femme Mirror, for one year. We will periodically provide you with additional information about the work of the Society and, at least annually, you will be given an opportunity to continue your financial support.

The enclosed card identifies you as a Tri-Ess Supporter (Friend of Tri-Ess), and shows the anniversary date of your contribution. Please keep us advised of any changes in your mailing name, and/or mailing address. Should you have need to write to us, please refer to the supporter number shown on your card.

Again, thanks so much for your interest, and your valued contribution and support.

Sincerely,
THE SOCIETY FOR THE SECOND SELF, INC.
